

MandMarblestone: 401(k) Published Article

Dear Friends and Clients,

One of our principals, Bob Mand, a tax attorney specializing in tax qualified retirement plans since 1972, has written an article for the PA Institute of CPAs e-newsletter on a unique and powerful 401(k) contribution concept that you may find applicable to your own 401(k) plan, or a 401(k) plan of a business owner you know. The technique described in the article has been approved by the IRS.
